# July 2021

## Happy 90th Birthday Rassic

Rassic Treated us all to his birthday golf day with such a generous sponsorship, where everyone received a prize before they teed off! Unfortunately all the planned events could not take place due to Covid, however a great day was had by all.

Rassic has been a member for 31 Years and is phtographed below with his regular 4ball. A Feat not many can claim is that Rassic has shot his age a grand total of 58 times and counting ...

Congratulations to Stilbaai Golf Club on a certificate of achievement as a top 10 Business from the Stilbaai Chamber of Commerce

### Birthdays

**Competition: Individual Stableford**

<b>1st</b>	Neelius Loots	42
<b>2nd</b>	Tony Bailey	40
<b>3rd</b>	Richard Peasey	37 c/o

### Special General Meeting

The SGM that was requested by certain members was scheduled for the 23 June 2021. Unfortunately with the presidents speech we had to postpone this meeting. The Committee thought that it would be irresponsible and put our members at unnessessary risk. It was not an easy decision as we would like to get this matter finalised and move on to a more healthy and positive environment at our club

# Other General Information From the Committee

- Placing is still in force on all fairways. You may also take relief from bare patches on greens when in play.
- The Course has been under tremendous strain, as the municipality's water supply was non-existent. The Pump was replaced several times yet the problem persisted, and the course had over 19 days in June with no water at all. The Pump has now been stripped and repaired and we are hoping this is the end of the water problem for now.
- Many of you will be delighted to hear that the bunker on the right of hole number 9 is going to be losing its wooden face and going to become grass. The angle will be reduced and because of that the bunker will be made bigger at the back end. The idea is the grass will remain short so that the ball runs into the bunker and does not stay in the grass. Holes number 4, 6 & 8 will follow where they are getting eroded.
- The Committee along with Neil have decided that the repairs to the bare patches of green 6 needs to commence now. We are aware that it is not the growing season, however with covering the new sods we hope to have the green repaired in time for our busy season. Part of the green will remain open for play the entire time.
- The committee decided that the Red tees on the 5th hole should move forward to the distance that is on the card. As you are aware at the AGM it was decided that GolfRSA would give feedback when they came to re-rate the course. As they have not been able to re-rate the red course, Golf RSA suggested our course must play off the distance on the card.
- As we are aware the members are enjoying the forward white tee marker, it was decided that they would remain in play and to compensate the red course for the 40m, the new tee on the 4th hole would be put into play.

## Handicaps & Scorecards

### **Covid policy with Scorecards**

**It is important to note that with the rise of covid the policy is that there should be 1 scorecard per fourball or if you wish you fill in your own scorecard, only the marker of the card needs to sign the card and DO NOT swap cards**

**We still have a huge problem with scorecards being incorrect, especially when it comes to all the handicaps.**

**Please note that the Slips now print with all the information you will need for your card including Handicap Index, Course Handicap as well as Playing Handicap.**

**When Playing a 9 Hole competition Please note that the 9's are the wrong way around, please play off out for in and in for out. Also when you are entering your score it will be for the wrong 9.**

**We are being lenient with the scorecards, as with covid each person is not in control of their scorecard details, however, please do your best to make sure you play off the correct handicap.**

**As per the rules of golf - handicap correctness is the players responsibility**
